Letter No 21 dated 9 7 45 from the Engineer officer C & T Bde B'lore requesting sanction to draw the pay of the two persons of the office @ Rs 12/- each p m and to write off.

The Engineer officer had, in his letter No 36 dated 24 6 44, sought for the sanction of the appointment of two persons for his office from the month of August 1944. In Go No L 3174 dt 10 10 44, sanction was accorded to the same. But the amount of pay of the persons was not mentioned either in the proposal or in the Go.

It is seen that the Go has drawn the pay of the persons at the rate of Rs 12/- each from the date of appointment i.e August 1944.

Now it is reported that the Comdr has objected to the admitted Rs 11/- only to each person for the month of June 45.

Omission of the specific rate of pay in the Go. resulted has given rise to the objection

Govt is no authority

The Eco states that in the proposition statement attached to this proposal, pay of Rs 12/- each was fixed

It is requested that the pay of the persons may be fixed at Rs 12/- each P.M.

Regular sanction of Government for the entire Establishment of the Trust Board is not so far received and the Pay Bill is being passed provisionally as per authorisation issued by the Law Secretary to Government As a uniform scale of pay of 11-1/2 yrs -15 is since sanctioned to all the peons in Bangalore, how a claim of Rs 12/- is being claimed for the peon was examined and as there was not sufficient authority for the same, the excess over the minimum of Rs 11/- was deferred in audit in the Pay Bill for June 45
